PROGRESS NOTE ONLY

This Appendix covers two kinds of
notes written about
psychotherapy—progress notes
and psychotherapy notes—and

Access Free The Family Therapy Progress Notes

Planner Practice Planners highlights the practical value of this important distinction.

Progress notes are part of the client record or file, as noted below. Psychotherapy notes are not part of the file. After an overview of the client file or record, the difference between

Access Free The Family Therapy Progress Notes Planner Practice Planners

these two kinds of notes is discussed along with guides for writing progress notes.

Progress Notes and
Psychotherapy Notes
Conceptualizing a case
systemically can be challenging,

Access Free The Family Therapy Progress Notes Planner Practice Planners

because of the many family members and influences that are relevant to our work with clients. In the practicum courses I teach, students are required to write a case summary and present the case to the class. In this post, I outline and explain
