The Happy Kid Handbook: How to Raise Joyful Children in a ...

The Happy Kid Handbook is divided into two parts; Part I, "Raising Happy," focuses on building seven specific pro-social skills and Part II, "Lessons in Coping," looks at how to equip children to deal with the ups and downs of life. The seven skills emphasized in Part I include powerful play, understanding emotions, learning to forgive, building empathy, developing assertiveness, embracing differences, and cultivating passion.

—Heather Turgeon, co-author of The Happy Sleeper "With an emphasis on taking back childhood and reducing stress for the whole family, The Happy Kid Handbook helps parents empower their kids to take control of their own happiness. Katie provides parents with easy, actionable steps to help them understand what makes their kids tick and how to help them carve their own paths and cope with obstacles along the way."

The Happy Kid Handbook: How to Raise Joyful Children in a ...

In The Happy Kid Handbook, child and adolescent psychotherapist and parenting expert, Katie Hurley reveals that cultivating happiness in children's lives is about parenting the individual, because not every child is the same, and not every child will respond to parenting the same way.

Buy The Happy Kid Handbook Summary | Bestbookbriefings

The Happy Kid Handbook. With all the parenting information out there and the constant pressure to be the "perfect" parent, it seems as if many parents have lost track of one very important piece of the parenting puzzle: raising happy kids. Parenting today has gotten far too complicated. It's never been the easiest job in the world, but with all the "parenting advice" parents are met with at every corner, it's hard not to become bewildered.

The Happy Kid Handbook – Katie Hurley

The Happy Kid Handbook (2015) explains the key components of a happy childhood that allows children to thrive as unique individuals. Whether your child is introverted or extroverted, this book will guide you through helping them understand stress, negative emotions, social relationships and the importance of finding calm in their lives.
