The Jedi in the Lotus: Star Wars and the Hindu Tradition by Steven J. Rosen. My rating: 2 of 5 stars I was completely unaware that the ancient text known as the Vymaanika Shastra contains detailed instructions on how to build a mercury vortex engine. Indeed, Sanskrit scholar Shivkar Bapuji Talpade reportedly built such a demo aircraft and put it to the test in Bombay in 1895.

More importantly, the timeline of Star Wars doesn't allow for the training of another Jedi in The Mandalorian.If Ahsoka Tano takes Baby Yoda as a student, then the duo should be a strong master-and-apprentice tandem by the era of the Star Wars sequel trilogy. This ruins the entire emphasis of The Last Jedi, in which the lineage of the Jedi Order comes solely down to Luke Skywalker and Rey.

~~The Mandalorian: Will Ahsoka Train Baby Yoda To Be A Jedi?~~

Fate of the Jedi: Abyss is the third novel in the nine-book Fate of the Jedi series set two years after Star Wars: Legacy of the Force by Troy Denning and was released on August 18, 2009. At the end of the book, it has an introduction to Backlash.4 The audio version is narrated by Marc Thompson. The paperback was released on June 22, 2010.5 1 Publisher's summary 1.1 Hardcover 1.1.1 Back cover ...

The Jedi in the Lotus is the first-ever examination of the Star Wars universe from a Hindu perspective, illuminating many hitherto undiscovered aspects of the background and meaning of the widely acclaimed film series. We are shown how its creators were influenced by the famed mythologist, Joseph Campbell, whose reading of the ancient Indian Epics, the Ramayana and Mahabharata, can be seen throughout the Star Wars films. This book also demonstrates how the metaphysical understanding of the Jedi Knights and the divinity conceived of as 'the Force' have resonances with teachings passed down by Hindu gurus and mystics for centuries, and how fantastic worlds and technology similar to that of the Star Wars universe were described in myths that are millennia old - and may even have had some basis in reality. Finally, The Jedi in the Lotus shows us how the Hindu traditions at the basis of Star Wars offer an alternative vision to the purely materialistic, soulless world of modernity. Steven J. Rosen (Satyaraja Dasa) is an initiated disciple of His Divine Grace A. C. Bhaktivedanta Swami Prabhupada. He is also founding editor of the Journal of Vaishnava Studies and associate editor of Back to Godhead. He has published twenty-one books in numerous languages, including the recent Essential Hinduism (Rowman & Littlefield, 2008); The Yoga of Kirtan: Conversations on the Sacred Art of Chanting (FOLK Books, 2008); and Krishna's Other Song: A New Look at the Uddhava Gita (Praeger-Greenwood, 2010). 'In conclusion, I can only say that The Jedi in the Lotus is a breakthrough book when it comes to understanding the mythic depth of the Star Wars epics. Steven J. Rosen uses his masterful grasp of the Eastern traditions to explain the secrets of the most successful film series ever. This book also shows us why Joseph Campbell loved the wisdom tales from India, and, for those who found the Star Wars adventures memorable, this is a truly illuminating book.' - Dr. Jonathan Young, from the Foreword

Overthrowing Your Empire of Noise Noise. It's everywhere. Televisions blaring out commercials. Opinions shouted over the radio. The Internet and its unlimited distractions. All of the tasks and choices that you know don't really matter. Always intensifying, becoming a deep part of our everyday cycle, our now hurried lives. But often God speaks to us in the stillness. When Elijah needed to hear from God, God sent a fire, a quake, and a huge wind. But God wasn't in the fire. He wasn't in the quake. He wasn't in the wind. God was in the whisper. But the noise hides the whisper. Life is a dangerous place when we are stripped of our ability to hear God clearly. During His time here on earth Jesus Christ was a master of noise. He balanced time healing, teaching, and feeding the multitudes with regular periods alone with His Father. Static Jedi takes a look at the life of Jesus to help you master the noise and distractions and live in clarity.

The Dharma of Star Wars links George Lucas's beloved classic and the wise words of the Buddha in playful and unexpectedly rewarding ways. Exploring Darth Vader's karma, the dark side within, and the way of the Force, Bortolin presents an inspiring, totally new take on the Star Wars saga--and a fresh interpretation of Buddhist teachings.

Han and Leia endeavor to keep an increasingly unstable Jedi Order out of the control of government security; while Luke and his son, Ben, search a mysterious region of space for clues about Jacen's fall to the dark side. Reprint. A best-selling novel.

The Agni and the Ecstasy compiles essays that the renowned scholar of Vaishnavism, Steven J. Rosen, has published throughout his 25-year writing career. Ranging from commentary on transcendental philosophy and scriptures such as the Bhagavad Gita, to personal reminiscences of prominent spiritual figures and devotional music, there is virtually no topic on which he does not shed illumination. This book is an excellent introduction to Rosen's work, whether one is a newcomer or a long-time reader. " T]here is something in this book for everybody. If one leans toward academia and intellectual approaches to spirituality, one will appreciate the articles included here that are informative, well-researched, and conveyed with an authoritative tone. On the other hand, if the reader prefers essays that entertain and arouse emotions - that speak to one's internal spiritual quest and a personal search for answers - then there are also pieces that address those particular needs." --from the Introduction by Steven J. Rosen "Having imbibed the compassionate spirit of Srila Prabhupada, his beloved guru, and having dedicated his life to uplifting humanity through transcendental knowledge, Satyaraja is specially empowered to reach our hearts. We can rejoice upon the release of this volume of his collected articles." --from the Foreword by His Holiness Radhanath Swami Steven J. Rosen (Satyaraja Dasa) is an initiated disciple of His Divine Grace A. C. Bhaktivedanta Swami Prabhupada. He is also founding editor of the Journal of Vaishnava Studies and associate editor for Back to Godhead. He has published more than thirty books in numerous languages, including the recent Krishna's Other Song: A New Look at the Uddhava Gita (Praeger, 2010); The Jedi in the Lotus: Star Wars and the Hindu Tradition (Arktos, 2010) and Christ and Krishna: Where the Jordan Meets the Ganges (FOLK Books, 2011).

Krishna movement's pioneering and even visionary efforts in popularizing vegetarian cuisine and the compassionate treatment of animals in the West -- how they did so from the days of their first Sunday Love Feast (in 1966) and how they continue to do so in the present day. Book jacket.

A review of Hindu teachings, beliefs, practices, and history. This volume focuses on Vaishnavism, the most common form of Hinduism.

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

Winter 1970. As rock stars die of excess and revolution fills the air, newly minted private investigator James Brimstone is spending his days wandering the streets of Los Angeles, looking for low rent cases as far as possible from his last work-for-hire, an unfortunate run-in with the occult on a pornographic film set. But fate has a funny way of slapping Brimstone with the dark hand of magic. When a deadly attack on a

veteran's hall nearly kills his Korean War buddy Cactus, the only clue left behind is a leaf from the Black Lotus, a war drug used in ancient Babylonia . . . that's supposedly been extinct since the pyramids were young. Between bump-ins with rock star prophets and berserk professional wrestlers, Brimstone races to find out who's behind the supernatural drug turning the City of Angels citizens into sex- and violence-crazed maniacs, as well as a mysterious creature of smoke and evil stalking the streets of L.A. On the boardwalk between our world and nightmares, Brimstone must face the darkness within himself to see if he, too, will fall victim . . . to the Black Lotus Kiss.
