Nietzsche in Contemporary Germany This year is the 100th anniversary of Nietzsche 's death, and in August the news magazine Der Spiegel devoted a large part of one issue (No.34, 2000) to the man and his legacy. The previous time the educated public became aware of Nietzsche was during the Sloterdijk/Habermas debate in September 1999.

Nietzsche & Germany | Issue 29 | Philosophy Now

In Germany interest in Nietzsche was revived from the 1980s onwards, particularly by the German philosopher Peter Sloterdijk, who has devoted several essays to Nietzsche. Ernst Nolte the German historian, in his literature analyzing fascism and Nazism, presented Nietzsche as a force of the Counter-Enlightenment and foe of all modern "emancipation politics", and Nolte's judgment generated impassioned dialogue.

So far, Nietzsche 's legacy consists of what those influenced and inspired by his work have made of it, good and bad. To a great extent this involves two or three basic themes: power, more specifically the idea that the desire for power is the main motive for action and that power is the ultimate good, the corollary that the value of power trumps moral considerations, and an attitude towards violence and irrat
