This comprehensive book is essential reading for all those responsible for the achievement of high levels of output from pig units. Focusing on the complexity of accurately identifying the real causes of performance problems, the book emphasizes the importance of realistically appraising all the available evidence, including pig unit data and observation, before reaching firm conclusions. The author discusses all the main performance issues that commonly affect pig enterprises—for example, low litter sizes, high levels of stillborn pigs, high post-weaning mortality rates, slow growth rates, low feed intakes, and high feed conversion ratios. He analyzes each problem in detail at every stage and examines a range of possibilities before guiding the reader toward the most likely cause, and the most appropriate course of action. In the context of general animal health and nutrition, he identifies related issues and recommends when it is appropriate to consult specialists in these fields.

Activities to be used in the classroom to accompany the reading of The pigman by Paul Zindel.

Pigs - A guide to Management - Second Edition provides a comprehensive introduction to all aspects of pig-keeping: how pigs have developed, the influence of the market on the breeds and pig-keeping systems, nutrition, the pig and its environment, reproduction, piglet birth, survival, growth and development, and the important place of artificial insemination in both modern commercial production and maintaining our rare breeds. The welfare, care and management of the pig through to its sale as a finished pig, along with that of the breeding

One of the best-selling young adult books of all time, written by Pulitzer Prize-winning author Paul Zindel. John Conlan is nicknamed “ The Bathroom Bomber ” after setting off firecrackers in the boys ’ bathroom 23 times without ever getting caught. John and his best friend, Lorraine, can never please their parents, and school is a chore. To pass the time, they play pranks on unsuspecting people and it's during one of these pranks that they meet the “ Pigman. ” In spite of themselves, John and Lorraine soon get caught up in Mr. Pignati ’ s zest for life. In fact, they become so involved that they begin to destroy the only corner of the world that has ever mattered to them. Can they stop before it ’ s too late?

Two lonely high school students befriend a strange old man, Mr. Pignati. "An intensely moving story of believably alienated young people".--Library Journal. Copyright © Libri GmbH. All rights reserved.

This Handbook builds on recent attempts to understand new and evolving patterns of global governance by identifying, describing, and analysing more than 80 of the most significant actors in the regulation and administration of contemporary transnational economic affairs.

In 1945, having joined his father at Los Alamos, where he and other scientists are working on a secret project to end World War II, thirteen-year-old Stephen becomes caught in a web of secrecy and intrigue.

Four friends, Two couples, One year that will change their lives. Liz and Sean, both beautiful and popular, are madly in love and completely misunderstood by their parents. Their best friends, Maggie and Dennis, are shy and awkward, but willing to take the first tentative steps toward a romance of their own. Yet before either couple can enjoy true happiness, life conspires against them, threatening to destroy their friendships completely.
