“The Wind in the Bamboo: A Journey in Search of Asia’s ‘Negrito’ Indigenous People” reveals the plight of Black Indigenous Asians who were classified as a separate race and considered doomed to vanish. Defined as “Negrito” because they physically resemble small Africans, they may have the most ancient ancestry in Asia.

An excerpt from "The Wind in the Bamboo" about Mt. Pinatubo. When the volcano on Luzon island, the Philippines erupted in June 1991, the center of the world was destroyed for the Aeta indigenous people, and yet they survived. I arranged to climb to the crater in 2007: A monstrous yellow 4x4 truck appeared in front of the Oasis right on time.

It is a very flexible plant and will bend and sway in the strongest wind speeds with only the very youngest culms suffering damage.. They are likely to bend in the wind as opposed to blowing over. Bamboos have the ability to bend to ground level under the weight of snow, ice, or heavy rains, and high winds, then straighten back up to their full height once the conditions have eased.

Bamboo - one of China’s most precious commodities - is showing great promise as the material of choice for building wind turbines. What’s particularly attractive about this technology is that bamboo brings a new perspective to carbon trading because bamboo sequesters carbon from the atmosphere, building it into high-strength fibres.

Ensure that bamboo plants in containers do not try out in winter, however, since the foliage is prone to wind scorch. In very cold weather, insulate containers with bubble wrap or move them to frost-free conditions. To ensure fresh new growth, divide the bamboo every couple of years using a saw to cut through the rootball, retaining the younger ...

In time, even the stronge st wind tires itself out, but the bamboo remains standing tall and still. A bend-but-don't-break or go-with-the-natural-flow attitude is one of the secrets for success whether we're talking about bamboo trees, answering tough questions in a Q&A session, or just dealing with the everyday vagaries of life.
