New Local's latest report,
Think Big, Act Small, is an
effort to bring the UK's
establishment to its senses.
It draws upon the work of
Elinor Ostrom – who won the
Nobel Prize in economics for
showing how communities can
solve problems “beyond
markets and states” – to
unpack a series of insights
about the conditions that
allow communities to rise to

Think Big, Start Small, Learn Fast

Think Big, Act Small. By Charlie Gilkey on March 21, 2009 6 Comments. Mark Silver commented on " Do Epic Shit " and addressed a critical point that needs more discussion. I'll quote the bit of his comment that I think is most salient: Keeping small, and not aiming to be "epic" can actually be incredibly, powerfully effective, one small step at a time."

*Think Big, Act Small -
Productive Flourishing*

It's okay – in fact, it's necessary – to think big, and have big dreams, if you want to accomplish big things. But the way to get there is not by acting big – it's by acting small.

Success is sequential. It results from tackling lots of small things on a consistent basis, not trying to tackle everything at once. Dominoes fall one at a time.

Local, Think Big, Act Small, is pretty exciting - a detailed consideration of Ostrom's ideas as they relate to the UK under climate crisis, COVID and much else. In a week where areas of the North of England kicked back against central government edict, and where the footballer Marcus Rashford's demand to maintain free school meals triggered another wave of spontaneous and networked mutual aid (see today's editorial), Ostrom's case for "community power ...
