From jeliya to cha cha ch, Shandong to sean ns, and the Beatles and beleganjur to Bollywood and belly dance, the second edition of World Music: Traditions and Transformations takes students on an exciting global journey of musical and cultural discovery, exploration, and experience. Through clearly focused case studies of diverse musical traditions, Michael Bakan illustrates the transformative life of world musics from traditional folk, ritual, and classical genres to contemporary popular and art musics, jazz, and world beat. Integral connections between particular musics and their historical, cultural, and international contexts are consistently emphasized. The text also includes a globally inclusive introduction to core elements of music and culture that makes its unique and friendly approach accessible to music majors and non-majors alike.

Move to the rhythm of music and culture from around the globe, presented to you in the third edition of World Music: Traditions and Transformations. Students will thrill to participate in an exciting global journey of musical and cultural discovery, exploration, and experience. Using a thoroughly modern approach to music sharing and listening, the text offers students hundreds of song selections from around the world and throughout history with a rich and unique Spotify playlist. Michael Bakan offers students an opportunity to bring a diverse world of music from traditional folk, ritual, and classical genres to contemporary popular and art musics, jazz and world beat right into their own classrooms. World Music: Traditions and Transformations appeals to both music majors and non-majors alike, by approaching the world of music in a multi-dimensional way, highlighting the connections between music and its rich cultural contexts.

From cha cha ch to jeliya and Hindustani raga to hip-hop gamelan, this exciting new text takes students on a journey through diverse musical cultures and traditions of the world. With a clear and accessible presentation style and lively and engaging writing, it is an ideal introduction to world music for non-music and music majors alike.

An expanded four-CD set is new to this edition. The new compilation includes 107 tracks constituting a full five hours of music, with more than an hour ' s worth of new music in all. The same emphasis on high-quality, professional recordings by the likes of Ravi Shankar, John Coltrane, Tito Puente, Santana, Shakti, Anglique Kidjo, The Chieftains, Eileen Ivers, and Yo-Yo Ma that defined the first edition has carried over to the second edition, and the compilation has been enhanced by the addition of 19 brand new tracks (see list of new tracks, pp. xxvi–xxvii). As with the first edition, a high level of integration and synergy between the music on the CD set and the content of the text is a hallmark feature of the second edition. A " music first " priority, in which the music drives the text rather than the other way around, is emphasized throughout.

From one of the most lauded scholars in ethnomusicology comes this enlightening and highly personal narrative on the evolution and current state of the field of ethnomusicology. Surveying the field he helped establish, Bruno Nettl investigates how concepts such as evolution, geography, and history serve as catalysts for advancing ethno-musicological methods and perspectives. Nettl's entertaining collection covers his scholarly interests ranging from Native American to Mediterranean to Middle Eastern contexts while laying out the pivotal moments of the field and conversations with the giants of its past. Bruno Nettl is professor emeritus of music and anthropology at the University of Illinois Urbana-Champaign and the author of The Study of Ethnomusicology: Thirty-One Issues and Conceptsand many other books.

The accompanying CD contains music excerpts which are listed in the book on pgs. xiii-xvii.

Authors Terry E. Miller and Andrew Shahriari take students around the world to experience the diversity of musical expression. World Music: A Global Journey, now in its third edition, is known for its breadth in surveying the world ' s major cultures in a systematic study of world music within a strong pedagogical framework. As one prepares for any travel, each chapter starts with background preparation, reviewing the historical, cultural, and musical overview of the region. Visits to multiple ' sites ' within a region provide in-depth studies of varied musical traditions. Music analysis begins with an experimental "first impression" of the music, followed by an "aural analysis" of the sound and prominent musical elements. Finally, students are invited to consider the cultural connections that give the music its meaning and life. Features of the Third Edition Over 3 hours of diverse musical examples. with a third audio CD of new musical examples Listening Guides analyze the various pieces of music with some presented in an interactive format online Biographical highlights of performers and ethnomusicologists updated and new ones added Numerous pedagogical aids, including "On Your Own Time" and "Explore More" sidebars, and "Questions to Consider" Popular music incorporated with the traditional Dynamic companion web site hosts new Interactive Listening Guides, plus many resources for student and instructor. Built to serve online courses. The CD set is available separately (ISBN 978-0-415-89402-9) or with its Value Pack and book (ISBN 978 0415- 80823-1). For eBook users, MP3 files for the accompanying audio files are available only with the Value Pack of eBook & MP3 files (ISBN 978-0-203-15298-0). Please find instructions on how to obtain the audio files in the contents section of the eBook.
